

# WHEN A CAR BECOMES MORE.

When a car becomes more, it surprises you at every turn. And, with an EPA highway rating of 34 mpg<sup>1</sup>, Camry's surprise is a pleasant one. Even better, the Camry Hybrid has an EPA rating of 40 mpg<sup>2</sup> in the city. So, while Camry rejuvenates the senses, it does so sensibly. Every Camry is engineered to change not just the way you feel about cars, but the way you feel, period.
