HOROSCOPES

■ **TAURUS (April 20 to May 20)** Your resolute determination to stick by a position might make some people uncomfortable. But if you're proved right (as I expect you to be), a lot of changes will tilt in your favor.

■ **GEMINI (May 21 to June 20)** You might feel conflicted between what you want to do and what you should do. Best advice: Honor your obligations first. Then go ahead and enjoy your well-earned rewards.

■ **CANCER (June 21 to July 22)** That financial matter still needs to be sorted out before you can consider any major monetary moves. Pressures ease midweek, with news about a potential career change.

■ **LEO (July 23 to August 22)** A workplace problem threatens to derail your well-planned project. But your quick mind should lead you to a solution and get you back on track without too much delay.

■ **VIRGO (August 23 to September 22)** An opportunity opens up but could quickly close down if you allow pessimism to override enthusiasm. A trusted friend can offer the encouragement you need.

■ **LIBRA (September 23 to October 22)** You've come through a difficult period of helping others deal with their problems. Now you can concentrate on putting your energy to work on your own projects.

■ **SCORPIO (October 23 to November 21)** Forget about who's to blame and, instead, make the first move

toward patching up a misunderstanding before it creates a rift that you'll never be able to cross.

■ **SAGITTARIUS (November 22 to December 21)** Good news for the travel-loving Sagittarian who enjoys galloping off to new places: That trip you put off will soon be back on your schedule.

■ **CAPRICORN (December 22 to January 19)** A mood change could make the gregarious Goat seek the company of just a few friends. But you charge back into the crowd for weekend fun and games.

■ **AQUARIUS (January 20 to February 18)** A decision you made in good faith could come under fire. Best advice: Open your mind to other possibilities by listening to your challenger's point of view.

■ **PISCES (February 19 to March 20)** You can avoid being swamped by all those tasks dangling from your line this week by tackling them one by one, according to priority. The weekend brings good news.

■ **ARIES (March 21 to April 19)** The often skeptical Aries might find that an answer to a question is hard to believe. But check it out before you chuck it out. You might well be surprised at what you could learn.

■ **BORN THIS WEEK:** You have a fine business sense and a love of the arts. You enjoy living life to its fullest.
