Star Wars stamps available at Post Office

In conjunction with the 30th anniversary of the first Star Wars film, the U. S. Postal Service is issuing 41-cent, Star Wars commemorative stamps in 15 designs. The stamps are on sale nationwide. Image artwork is by longtime Star Wars poster artist Drew Struzan; the stamps were designed by Terrence McCaffrey and William J. Glicker, Jr., of the U.S. Postal Service.

The pressure sensitive sheet of 15 stamps shows familiar characters and vehicles from the most successful and popular epic adventure of all time: Darth Vader, Luke Skywalker, Han Solo and Chewbacca, Princess Leia Organa and R2-D2, C-3PO, Yoda, Obi-Wan Kenobi, Emperor Palpatine, Stormtroopers, Boba Fett, Millennium Falcon, X-wing starfighter, Queen Padme Amidala, Obi-Wan Kenobi and Anakin Skywalker, and Darth Maul.

The selvaige includes the Star Wars logo and background images of a space battle, including a Star Destroyer, TIE fighters, X-wing starfighters, and the second Death Star as shown under construction in Star Wars: Episode VI, Return of the Jedi. The background also includes the lightsaber-wielding form of Darth Vader, whose helmet comprises the largest of the 15 shapes. The back of the souvenir sheet includes extensive text describing the dramatic roles that each featured character or vehicle plays in the Star Wars saga.
