FINANCIAL

Brian Simon of Alliance Financial Group announces that he has successfully completed the Certified in Long-Term Care designation program.

Simon

"I have seen first hand the emotional and financial toll that providing care for a loved one takes on families," Simon said.

"It is essential that advisors educate their clients about the consequences failure to have a plan for long-term care could have on those they love."

The CLTC program was created to provide financial service professionals with the tools needed to help their clients discuss and create a plan for long-term care. To learn more about the CLTC designation go to www.ltc-cltc.com.
