

# ON THE MOVE

## CONSTRUCTION

**Dragich**

**Brian Dragich** has joined Fort Myers-based builder **J.L. Wallace Inc.** as a superintendent. In this role, he will oversee all aspects of commercial job site construction. Dragich joins the J.L. Wallace team after working as a superintendent for a year and a half with sister company Royal Corinthian Homes. He has more than 13 years experience in commercial and residential construction and is a state certified general contractor. Prior to joining Royal Corinthian Homes, he attended a four-year carpenter apprentice program in Cleveland, Ohio.

**Price**

**Maria Price** has joined **Contractor's Choice Supply**, A Raymond Company, as director of business development. In her new role, Price will work with area builders, developers, general contractors and high-end interior design firms to assist in creating living areas that match lifestyles. Price has more than a decade of experience as an interior decorator. Most recently, she owned her own design firm in the Naples area. She received her bachelor's degree from Clemson University.

## REAL ESTATE

**Dennis Church**, vice president of planning and development for **Bonita Bay Group**, was a featured presenter at the recent Southeast Builders Conference in Orlan-

**Church**

do. The panel discussion, entitled "Creating Value by Going Green," featured Church and other national industry leaders providing their perspective on the value and importance of sustainable development, green building, high-density/smart growth and the new LEEDS program for land development.

**Tony and Danielle Calamela** have been named the July sales leaders for the **Southwest Florida market of Pulte Homes, Inc.** The Calamelas are a sales associate team at Majestic Palms, a Fort Myers condominium and carriage home community built and developed by Pulte Homes. The Calamelas are natives of Fort Lauderdale and both attended the University of Florida, Gainesville. Tony Calamela earned a bachelor of arts in criminology at the university, and Danielle Calamela earned a bachelor of science in business administration. Prior to joining Pulte Homes in 2002, Tony Calamela served as a deputy with the Collier County Sheriff's

**Reinhardt**

## FINANCE

**Kenneth E. Guard**, a financial and investment planner, has joined the **Planned Giving Council of Lee County**. Guard specializes in assisting small business owners and affluent families with taxation and future planning. He joins the ranks of previous members in a commitment to better serv-

**Guard**

**Kimberly Elias, Tom Kilarski and Cynthia Reinhardt** have joined the **Bonita Bay Group Realty** sales team. Elias has four years of residential real estate experience in Southwest Florida and most recently was associated with the RE/MAX Realty Team in Cape Coral. Kilarski has more than three decades of experience in finance and human resources with Ford Motor Company in Dearborn, Mich. He began his real estate career with RealtyWorld in Bonita Springs, where he specialized in residential sales. Reinhardt was a real estate associate with Florida Home Realty/Team Sunworld in Naples. She previously acquired six years of experience in banking, finance and mortgages, and also worked as an interior design consultant.

ing their philanthropic donors. The Planned Giving Council of Lee County provides educational programs and leadership to professionals involved in all aspects of charitable planned giving. Their membership allows them to better aid their clients when making contribution recommendations.

## ENVIRONMENT

**Tyson**

**Evans**

**Kruse**

**Debbie Tyson**, an ecologist with **Passarella & Associates**, has been elected to a second term as president of the Southwest Chapter of the Florida Association of Environmental Professionals. Tyson, a graduate of University of Florida, serves on the board with two other Passarella & Associates staff members: Ecologist **Jennifer Evans** is serving her second term as secretary, and Ecologist **Alicia Kruse** is membership director. Evans is a University of Delaware graduate, and Kruse holds a degree from Florida Gulf Coast University. At Passarella & Associates, the women provide environmental-impact assessments, listed-species surveys, wetland monitoring and other ecological services. The local FAEP chapter, one of nine in the state, includes nearly 100 environmental professionals from Lee, Collier, Charlotte, Desoto, Sarasota, Hendry and Glades counties. It is affiliated with the National Association of Environmental Professions. ■
