HOROSCOPES

■ **LIBRA (September 23 to October 22)** You might surprise everyone by being unusually impulsive this week. But even level-headed Libras need to do the unexpected now and then.

■ **SCORPIO (October 23 to November 21)** A period of turmoil gives way to a calmer, more settled environment. Use this quieter time to patch up neglected personal and/or professional relationships.

■ **SAGITTARIUS (November 22 to December 21)** A new relationship could create resentment among family and friends who feel left out of your life. Show them you care by making more time for them.

■ **CAPRICORN (December 22 to January 19)** Concentrate on completing all your unfinished tasks before deadline. You'll then be able to use this freed-up time to research new career opportunities.

■ **AQUARIUS (January 20 to February 18)** You're right to try to help colleagues resolve their heated differences. But keep your objectivity and avoid showing any favoritism 'twixt the two sides.

■ **PISCES (February 19 to March 20)** Your personal life continues to show positive changes. Enjoy this happy turn of events, by all means. But be careful not to neglect your workplace obligations.

■ **ARIES (March 21 to April 19)** Although you love being the focus of attention, it's a good idea to take a few steps back right now to just watch the

action. What you see can help with an upcoming decision.

■ **TAURUS (April 20 to May 20)** "Caution" continues to be your watchword this week, as a former colleague tries to reconnect old links. There are still some dark places that need to be illuminated.

■ **GEMINI (May 21 to June 20)** Making a good first impression is important. Revealing your often hidden sense of humor can help you get through some of the more awkward situations.

■ **CANCER (June 21 to July 22)** Taking that Cancer Crab image too seriously? Lighten up. Instead of complaining about your problems, start resolving them. A friend would be happy to help.

■ **LEO (July 23 to August 22)** A widening distance between you and that special person needs to be handled with honesty and sensitivity. Don't let jealousy create an even greater gap between you two.

■ **VIRGO (August 23 to September 22)** Congratulations. Your handling of a delicate family matter rates kudos. But no resting on your laurels just yet. You still have to resolve that on-the-job problem.

■ **BORN THIS WEEK:** People of all ages look to you for advice and encouragement. You would make an excellent counselor.
