

Toyota. A proud sponsor of The Phantom of the Art Center Gala and the Southwest Florida Symphony.

moving forward.

The 2008 Avalon offers a combination of innovation and performance. Its available Smart Key System feature senses your approach and unlocks the doors for you. A 6-speed automatic transmission learns your driving habits and adjusts its shift patterns. The acoustically engineered windshield reduces noise. And the 268-hp DOHC V6 with dual Variable Valve Timing reduces the time it takes to reach your destination.
