HOROSCOPES

■ **SAGITTARIUS (November 22 to December 21)** A beloved family member has news that will brighten your holidays. Also expect to hear from friends who had long since moved out of your life.

■ **CAPRICORN (December 22 to January 19)** Money is on your mind, so you'd best mind how you're spending it. Take another look at that holiday budget and see where you can make adjustments.

■ **AQUARIUS (January 20 to February 18)** Resolving to revive an old friendship could open some old wounds. Are you sure you want to risk that? Think this through before making a commitment.

■ **PISCES (February 19 to March 20)** Your need to know more about a new friend could lead to some startling revelations. Best advice: Keep an open mind about what you learn until all the facts are in.

■ **ARIES (March 21 to April 19)** You've let yourself be distracted from what's really important. But love finally gets your attention this week. However, it comes with a challenge that could create a problem.

■ **TAURUS (April 20 to May 20)** Be careful not to bully others into following your lead. Best advice: Persuade, don't push, and you'll get the cooperation you need to move forward with your plans.

■ **GEMINI (May 21 to June 20)** Resist the urge to gloat now that you've proved your detractors wrong.

Instead, charm them back into your circle. Remember: A former foe can become your best ally.

■ **CANCER (June 21 to July 22)** You might want to claim all the credit for making this holiday season special. But is it worth producing a lot of hurt feelings by rejecting offers of help? Think about it.

■ **LEO (July 23 to August 22)** Ignore a co-worker's questionable behavior. Instead, put your energy into making your own project special. Then sit back and purr over your well-deserved applause.

■ **VIRGO (August 23 to September 22)** You might not want to accept those suggested changes in your workplace. But don't chuck them out before you check them out. You could be happily surprised.

■ **LIBRA (September 23 to October 22)** Your holiday planning might have to take a back seat for a bit so that you can handle a problem with a friend or family member. Your schedule resumes by the 8th.

■ **SCORPIO (October 23 to November 21)** Relationships in general benefit during the early part of the week, including in the workplace. Also expect some overdue changes in a personal situation.

■ **BORN THIS WEEK:** Your loyalty to friends makes you a very special person to those whose lives you've touched.
