HOROSCOPES

■ **CAPRICORN (December 22 to January 19)** While part of you might prefer taking a more familiar path, let your more daring and — admit it — super-curious self see what the unexplored has to offer.

■ **AQUARIUS (January 20 to February 18)** Those nasty types have slithered back under the rocks and present no more problems. Now's the time to move ahead on that promising new relationship.

■ **PISCES (February 19 to March 20)** A new offer could clear up that lingering money problem. Also, a more confident attitude on your part might well help get that personal situation back on track.

■ **ARIES (March 21 to April 19)** You might be hurt by a colleague's harsh criticism. But don't let it shake your confidence in what you're trying to do. A more positive aspect starts to appear by week's end.

■ **TAURUS (April 20 to May 20)** You're torn between your sensible self and the part of you that enjoys acquiring lovely things. Best advice: Wait for an end-of-month sale and then buy something wonderful.

■ **GEMINI (May 21 to June 20)** Your artistic side has practical applications this week, such as redecorating your home or redesigning your personal stationery. Whatever you do, someone special will like it.

■ **CANCER (June 21 to July 22)** You could be drawn into a problem 'twixt friends or family members. Best

bet: Ask the questions that go to the heart of the matter, then get them all together for a group hug.

■ **LEO (July 23 to August 22)** As much as you love being the center of attention, your big Lion's heart impels you to share the spotlight with a colleague who helped you with that well-praised project.

■ **VIRGO (August 23 to September 22)** Your eagerness to act on a challenge is wisely tempered early in the week by a lack of necessary information. Things begin to clear up during the weekend.

■ **LIBRA (September 23 to October 22)** A relationship you'd hoped would keep going seems to be going nowhere. Close it out and move on to a brighter romantic aspect just beginning to manifest itself.

■ **SCORPIO (October 23 to November 21)** Things don't go completely as planned this week. But enjoy the surprises, even if you have to adjust your schedule. Some of them could be quite delightful.

■ **SAGITTARIUS (November 22 to December 21)** Making choices is usually easy for straight-shooting Archers. But a new development could deflect your aim. Try to put off decisions until you know more.

■ **BORN THIS WEEK:** You have a way of turning chaos into order. You're also generous with your help for those who seek it.
