

AT REST IT'S A LEXUS.
BUT MOST OF THE TIME, IT'S SIMPLY A BLUR.

A V6 engine on steroids. A six-speed sequential transmission with paddle shifters. Available sport-tuned suspension. No wonder the IS is always in a rapid state of motion. Offering features like 14-speaker surround sound, navigation with Bluetooth® and all the luxury Lexus is known for, the IS may be hard to see at times. But it's always fun to drive.
