One (1) cent a gallon, based on 1,000 miles a month (12,000 miles per year) in regards to mileage reflected on Monroney Sticker of vehicle purchased, for one month from date of purchase. Example: 2009 Camry LE Automatic Vehicle estimated mileage 21 city-31 highway Gas tank capacity 18.5 gallons 926 x 18.5 = 481 miles per tank 1,000 miles per month divided by 481 miles per tank equals 2.08 tanks of gas per month. 18.5 gallons x estimated \$4.00 per gallon equals \$74.00 per fill up x 2.08 tanks of gas = total of \$153.92 reimbursement. Example works the same for trucks and used vehicles depending on vehicle specifications. \*Demo plus tax & tags \$489.50 dealer fee and includes TMS dealer consumer rebate on the, 09 Corolla, 09 Camry & 09 Matrix for 48 month lease plus tax. \$3,000 due at signing plus fees. Must have a 720 or higher beacon score and approved credit. See dealer for complete details. \*\*Total Hwy MPG is for comparison purposes only and the actual fuel economy may be different depending on an individual's driving speed, weather conditions, trip/length & fuel type used by the vehicle.FMTO3770
