HOROSCOPES

LIBRA (September 23 to October 22) A colleague could make a request that might place you in an awkward position with co-workers. Best advice: Share your concerns with an associate you can trust.

SCORPIO (October 23 to November 21) Your energy levels are way up, allowing you to take on the added challenge of a task you've been hoping to secure. Expect this move to lead to an important opportunity.

SAGITTARIUS (November 22 to December 21) Your continuing sense of confidence in what you've set out to do gives encouragement to others. Expect to see more people asking to add their efforts to yours.

CAPRICORN (December 22 to January 19) You might think it would be best to reject a suggestion others insist would be unworkable. But you might be surprised by what you find if you give it a chance.

AQUARIUS (January 20 to February 18) Changing a decision might disappoint some people, but the important thing is that you be honest with yourself. Don't go ahead with anything you have doubts about.

PISCES (February 19 to March 20) There could be some fallout from an emotional confrontation that you really should deal with before moving on. Best to start fresh with a clean, clear slate.

ARIES (March 21 to April 19) Your Aries charm helps persuade others

to listen to your proposal. But it's still a long way from acceptance, unless you can stand up to the tough questions that are set to follow.

TAURUS (April 20 to May 20) Plan to share a weekend getaway from all the pressures of your hectic workaday world with a very special someone. You could be pleasantly surprised at what develops.

GEMINI (May 21 to June 20) Your keen insight once again helps you handle a challenging situation with a clearer perception of what it's really all about. What you learn helps you make a difficult decision.

CANCER (June 21 to July 22) If you want to steer clear of getting involved in a new family dispute, say so. Your stand might cause hurt feelings for some, but overall, you'll be respected for your honesty.

LEO (July 23 to August 22) Expect recognition for your efforts in getting a project into operation. Besides the more practical rewards, your Lion's heart will be warmed by the admiration of your colleagues.

VIRGO (August 23 to September 22) Set aside time to rid yourself of clutter that might well be drawing down your creative energies. Consider asking someone to help you decide what stays and what goes.

BORN THIS WEEK: Your honesty not only helps you make decisions for yourself, but also helps others find the right choices for themselves.
