HOROSCOPES

LIBRA (September 23 to October 22) Watch that you don't take on more than you can handle when offering to help someone with a personal problem. There might be hidden factors you weren't told about.

SCORPIO (October 23 to November 21) That major move you've been considering could come sooner than you expected. Make sure you'll be ready with the facts you need when decision time arrives.

SAGITTARIUS (November 22 to December 21) Languishing relationships can benefit from a break in routine. Get out of the rut and do something new and maybe more than a little unpredictable this weekend.

CAPRICORN (December 22 to January 19) Although you don't think of yourself as a role model, your ability to make a tough decision at this time sets an example for others, who admire your courage.

AQUARIUS (January 20 to February 18) You need to move any remaining obstacles out of your way before you can take on a new challenge. Seek advice from close, trusted friends and associates.

PISCES (February 19 to March 20) A career change appears increasingly likely to happen during the next several weeks. It's a good idea to start now to prepare, so you can be ready to make the move when the time comes.

ARIES (March 21 to April 19) A bid for you to step in and take over an

incomplete project could prove to be an excellent learning experience that you can take with you when a new opportunity opens up.

TAURUS (April 20 to May 20) It's a good time for socializing, both with family and with friends. Your aspects also favor developing new relationships, any or all of which might become especially meaningful.

GEMINI (May 21 to June 20) Your success in handling a recent difficult situation prompts a request to handle another workplace problem. But this is one you should accept only if you get all of the relevant facts.

CANCER (June 21 to July 22) New information about a past decision raises some unsettling questions from an old friend. Be prepared to explain your actions fully and, if necessary, to make adjustments.

LEO (July 23 to August 22) This is not a good time to share personal secrets, even with someone you've known for a long while. What you don't reveal now won't come back to haunt you later.

VIRGO (August 23 to September 22) Pushing yourself to meet a project deadline is admirable. But be careful not to leave out important details in your rush to complete your work and send it off.

BORN THIS WEEK: You have a strong sense of obligation to justice, which inspires others to follow your example and do the right thing.
