

## Dear Lee County Voters,

Due to the historic nature of the upcoming election, we are anticipating a large turnout at the polls on Election Day. That coupled with a new voting system many will be using for the first time, we are encouraging anyone who may have limited flexibility in their schedules on Election Day to consider voting early at a site and time that may be better for you.

Whether you are voting a ballot-by-mail, taking advantage of the early voting schedule shown below or going to the polls on Election Day, I want to thank you for taking part in one of the greatest privileges we as Americans could ever have....voting in free and open elections.

Sincerely,  
Sharon L. Harrington  
Supervisor of Elections
