HOROSCOPES

■ **LIBRA (September 23 to October 22)** A meeting of the minds on a workplace project might well develop into something more personal for Librans looking for romance. Aspects are also favorable for platonic relationships.

■ **SCORPIO (October 23 to November 21)** A more-positive mood might be difficult to assume in light of a recent problem involving the health of someone special. But by week's end, your emotional barometer should start to rise.

■ **SAGITTARIUS (November 22 to December 21)** Look for a changed attitude from a former adversary once he or she realizes you have your colleagues' full support. Now you can refocus your energies on that workplace project.

■ **CAPRICORN (December 22 to January 19)** This time, a difference of opinion might not be resolved in your favor. But be patient. It could all ultimately work out to your advantage, as new information begins to develop.

■ **AQUARIUS (January 20 to February 18)** A tug of war develops between the artistic Aquarian's creative aspect and his or her practical side. Best advice: Prioritize your schedule so you can give appropriate time to both.

■ **PISCES (February 19 to March 20)** You could be entering a career phase awash with job-related demands. But avoid being swamped by the overflow and, instead, keep treading water as you deal with demands one by one.

■ **ARIES (March 21 to April 19)** You enjoy the attention early in the

week, but it might be a good idea to opt for some privacy by week's end so that you can have more time to consider an upcoming decision.

■ **TAURUS (April 20 to May 20)** You unearth some surprising facts. Now you need to consider how to use them to your advantage. Meanwhile, it might be best to keep what you've learned secret for now.

■ **GEMINI (May 21 to June 20)** A comment by a colleague piques your curiosity to know more. Best advice: You'll find people more likely to offer information if you're discreet when making your inquiries.

■ **CANCER (June 21 to July 22)** Your energy levels begin to rise by mid-week. This allows you to catch up with your heavy workload and still have plenty of get-up-and-go to go out on the town this weekend.

■ **LEO (July 23 to August 22)** You're probably roaring your head off about a perceived slight from a longtime critic. Ignore it. That person might just be trying to goad you into doing something you might later regret.

■ **VIRGO (August 23 to September 22)** The early part of the week is open to spontaneity. Then it's time to settle into your usual routine to get all your tasks done. A personal situation could require more attention from you

■ **BORN THIS WEEK:** You are an exceptionally loyal person, and you're respected for your ability to keep the secrets entrusted to you.
