HOROSCOPES

■ **LIBRA (September 23 to October 22)** Feeling alone in a crowd during the early part of the week is an unsettling emotion. But your spirits soon perk up, putting you into the right mood to start making holiday plans.

■ **SCORPIO (October 23 to November 21)** A pesky problem should be dealt with immediately so you can put your time and effort into something more important. Someone from your past could have significant news for you.

■ **SAGITTARIUS (November 22 to December 21)** High-energy aspects dominate, both on the job and at home. Use this time to put some long-range plans into operation. Things level off later in the week.

■ **CAPRICORN (December 22 to January 19)** Even the usually gregarious Goat might feel overwhelmed by a flurry of activities. Be patient. Things soon return to your normal social routine.

■ **AQUARIUS (January 20 to February 18)** Career choices that seem too confusing to deal with at this point probably are. More information would help uncomplicate them. On the personal side, a friend might need your advice.

■ **PISCES (February 19 to March 20)** Your Piscean imagination is stimulated by possibilities you see in a new opportunity. But keep those ideas to yourself until you feel ready to translate them into a workable format.

■ **ARIES (March 21 to April 19)** Decisions involving your finances might seem to be foolproof. But they could have

underlying risks you should know about. Don't act on anything until all the facts are in.

■ **TAURUS (April 20 to May 20)** You're attracted to a situation that appeals to your Bovine intellect. And that's good. But don't neglect your passionate side when romance comes calling later in the week.

■ **GEMINI (May 21 to June 20)** A recent development enhances that special relationship. Spending more time together also helps make the bonding process stronger. Expect news about a possible career change.

■ **CANCER (June 21 to July 22)** A suspicious situation should be dealt with before it leads to serious problems. Get all the facts needed to resolve it. Then refocus your energies on those tasks that need your attention.

■ **LEO (July 23 to August 22)** You might feel a bit threatened by a proposed workplace change. The best way to deal with it is to ask questions. You'll find that those involved will be happy to provide you with the facts.

■ **VIRGO (August 23 to September 22)** The early part of the week is open to spontaneity. Then it's time to settle into your usual routine to get all your tasks done. A personal situation could require more attention from you

■ **BORN THIS WEEK:** You have an ingratiating way of helping people deal with their fears. Have you considered a career in social work or with the clergy?
