

THE CANTERBURY ADVANTAGE #18

“A BALANCE OF ACADEMICS AND ATHLETICS”

From academics to athletics, Canterbury has prepared me for college. The foundation of my success at UVA lies in the preparation I received at Canterbury, as an athlete and a student.

Canterbury gave me the tools necessary to be successful in college. Now as I pursue my educational goals I hope to play international volleyball or professional beach volleyball. Canterbury taught me, among other valuable lessons, how to balance academics and athletics successfully.
