## HOROSCOPES

■ **CAPRICORN (December 22 to January 19)** Be prepared to be flexible about your current travel plans. Although you don't have to take them, at least consider suggestions from the experts in the travel business.

■ **AQUARIUS (January 20 to February 18)** A problem with a recent financial transaction could lead to more problems later on unless you resolve it immediately. Get all the proof you need to support your position.

■ **PISCES (February 19 to March 20)** Daydreaming makes it difficult to stay focused on what you need to do. But reality sets in by midweek, and you manage to get everything done in time for a relaxing weekend.

■ **ARIES (March 21 to April 19)** Taking some time out of your usually busy social life could be just what you need to help you focus on putting those finishing touches on your plans for a possible career change.

■ **TAURUS (April 20 to May 20)** A misunderstanding about a colleague's suggestions could create a delay in moving on with your proposal. But by week's end, all the confusing points should finally be cleared up.

■ **GEMINI (May 21 to June 20)** You might feel overwhelmed by all the tasks you suddenly have to take care of. But just say the magic word -- help! -- and you'll soon find others rushing to offer much-needed assistance.

■ **CANCER (June 21 to July 22)** Finishing a current project ahead

of schedule leaves you free to deal with other upcoming situations, including a possible workplace change, as well as a demanding personal matter.

■ **LEO (July 23 to August 22)** Turn that fine-tuned feline sensitivity radar up to high to help uncover any facts that could influence a decision you might be preparing to make. Devote the weekend to family activities.

■ **VIRGO (August 23 to September 22)** A state of confusion is soon cleared up with explanations from the responsible parties. Don't waste time chastising anyone. Instead, move forward with your plans.

■ **LIBRA (September 23 to October 22)** You might feel obligated to help work out a dispute between family members. But this is one of those times when you should step aside and let them work out their problems on their own.

■ **SCORPIO (October 23 to November 21)** Your ability to resolve an on-the-job problem without leaving too many ruffled feathers earns you kudos from co-workers. You also impress major decision-makers at your workplace.

■ **SAGITTARIUS (November 22 to December 21)** Newly made and long-held friendships merge well, with possibly one exception. Take time to listen to the dissenter's explanations. You could learn something important.

■ **BORN THIS WEEK:** Your ability to reach out to those in need of spiritual comfort makes you a much-revered, much-loved person in your community.
