

EXTRA! EXTRA! READ ALL ABOUT IT!!!

Southwest Florida's Premier Impact-Resistant Window and Door Company is Now a Full Service Hurricane Protection Provider!

New Code Windows and Doors is in the business of providing solutions to your hurricane protection needs, offering the best products using the latest technology and most of all personalized customer service. Over the past year we recognized the need for a company that would provide unparalleled hurricane protection products with superior customer service and warranties to back them. Bearing that in mind, we are proud to announce that *we are now the EXCLUSIVE distributor of Rollingshield Shutters.*

With OVER 30 years experience in the hurricane protection industry, we are your one and only stop to **COMPLETELY** protect your home and loved ones from the potential damages from tropical storms, hurricanes and even intruders. Now you can have the best of both worlds....Impact-resistant windows and doors to allow the sun to shine in and roll-down, accordion style shutters and Lexan panels to complete the hurricane protection system for your home.
