

Emergency. Room.

Fast Access to the Best Medical Care for Bonita & Estero

Our expanded 43-bed emergency room at Gulf Coast Medical Center means you get seen quicker when minutes count the most. The Emergency Department boasts a 40-slice CT scanner, which provides three dimensional images of the heart and vascular system to make complex diagnoses more accurate and efficient.

The ER is backed by Gulf Coast Medical Center's full service cardiac and vascular program, which rivals those found in major medical centers. We offer the very latest in technology, including the Allura Xper FD20, a sophisticated X-ray system that provides crisp, detailed images during minimally invasive endovascular surgery. And our advanced wireless network enhances communication between medical staff and keeps your medical records at your physician's fingertips.

World class health care is closer than you think.
