

Fertilizer Ordinance No. **08-08**

New Fertilizer Ordinance

It's The Law!

Lee County is sending PHOSPHORUSS & NITROGEN on summer vacation!

A new Lee County ordinance is in effect regarding the use of fertilizer, the content, amount and methods that may be used. It applies to anyone – personal or professional – and states that fertilizers containing nitrogen and phosphorus cannot be used during the summer months from June through September. During the remainder of the year, fertilizer containing nitrogen and phosphorus is limited. For more info and tips, visit www.FertilizeSmart.com.
